Reflection 

On this last Sunday of Ordinary Time for the liturgical year, we celebrate the Feast of Christ the King. This feast was instituted by Pope Pius XI in 1925, at a time when the world was experiencing a rise of secularism, materialism and individualism, and an increasing denial of Christ's existence and authority. The hope was that the establishment of this feast would accomplish three goals: that nations would see that the Church has the right to freedom, that leaders and nations would see that they are required to give respect to Christ, the King of kings, and that the faithful would be strengthened and encouraged by the reminder that Christ must reign in our hearts, minds, wills, and bodies.

Stewardship

We are on the verge of a new Church year and the holy season of Advent, and this week is an ideal time to take stock of our priorities, to see if we really are allowing Christ to reign in all aspects of our daily lives; to ask if He comes first in our schedules, our budgets, the use of our skills and talents. It's also a great moment to celebrate! We are not only servants of Christ the King, but we are also His brothers and sisters. This should fill us with great joy. After celebrating the Holy Eucharist, take some time to celebrate at home, too. Bake a cake, take a walk, put on some music and dance with your kids. Christ is King!

Year of the Domestic Church: Prayer: O God, creator of all, you ordered the earth to bring forth life and crowned its goodness by creating the human family. In history's moment when all was ready, you sent your Son to dwell in time, "practicing the virtues of family life and in the bonds of charity." Teach us the sanctity of human love; show us the value of the Domestic Church; and help us to live in peace with all people, that we may share in your life forever. With the intercession of St. Joseph, Patron of the Universal Church, we ask this through Christ the Lord. Amen.
