Reflection

“Epiphany” means “manifestation.” It is on this day that Jesus Christ, the Messiah, is revealed as the light of all nations. Officially Christmas is not over. In fact, the recommendation of the Church is that on this day those who display a crèche, a nativity or manger scene, should replace the shepherd and sheep with the Magi and their likely animals on which they traveled as well as their gifts. However, that is all secondary to the real meaning of this day.

Stewardship

At Christmas the Messiah Jesus was revealed to the shepherds, who were Jewish. But on this day the Lord is revealed to all nations and to the Gentiles (represented by the Magi). We are all familiar with the star the Magi followed, but we need to understand all that is happening and what it means. This all represents the Light of Christ, a Light which today we honor and commemorate. We are called to be the Light of Christ right now to those around us and those with whom we come in contact. That way we can be the disciples Christ wants us to be.
